

March 2010

Bingxin Yu

510 21st St NW, Apt 618, Washington, D.C., 20006, USA
Telephone: 1-202-352-7449 Email: bingxinyu@gmail.com

EDUCATION

Ph.D. in Agricultural Economics	University of Nebraska–Lincoln, 2005
M.S. in Biometry	University of Nebraska-Lincoln, 2002
B.S. in Management Science	University of Science and Technology of China, 1997

PROFESSIONAL EXPERIENCE

International Food Policy Research Institute (IFPRI)	Washington, USA
Research Fellow	2007-current
Post Doctoral Fellow	2007-2010
Research Analyst, Development Strategy and Governance Division (DSGD)	2003–2007

Public Investment and productivity

- Rice production response in Cambodia
- Impact of investments in augmenting food supply through improved productivity in South Asia and Southeast Asia
- Cross-country study of the impact of public expenditures in developing countries
- Composition of government expenditure, poverty and economic growth in Thailand
- Impact of public investment at national, regional and household level in Egypt
- Investment in agricultural research and growth in China and India
- Productivity and modern technology diffusion in Ethiopia
- Public expenditure database

Country Strategy Research

- Typology of food security and agricultural potentials
- Food security in mountainous countries
- National food security strategy in Yemen
- Regional strategic alternatives for growth and poverty reduction in West Africa
- Poverty reduction and agriculture in Morocco
- Farmer response to food crisis and regional market in Ghana
- Growth pathway for Ghana to achieve middle income country status
- Agricultural growth and investment options for poverty reduction in Rwanda
- Agriculture-Industry Growth Linkages in Ethiopia
- Development domains in Ethiopia

Capacity Strengthening

- 2009. Lead a half-day onsite training in Beijing, China to 20 staff members from Chinese Academy of Agricultural Science

- 2008. Lead a 1-day onsite training in Beijing, China to 50 staff members from Chinese Academy of Agricultural Science and Chinese Agricultural University
- 2005. Develop and lead a 4-day onsite training in Addis Ababa, Ethiopia to 14 staff members from Ethiopia Development Research Institute, Ethiopian Strategy Support Program and Central Statistics Authority

The Food and Agricultural Organization of the United Nations
 Consultant, Commodity Policy and Projections Service

Rome, Italy
 2003
