

- Managed contracts, production, and publication of international guidance on integrating nutrition into HIV/AIDS programs.
- Advised Peru country team on preparation of nutrition project to enhance the nutrition orientation of a conditional cash transfer program.

➤ **Research Program on Policy Processes and Governance in Food and Nutrition**
2003-2007: Program Leader, 2005

- Helped to develop initial program proposal for Board approval; and guided later development of overall research and communications strategy.
- Led a core team of 3 senior researchers and 3 administrative and research support staff.

➤ **Research Program on Urban Livelihoods and Food and Nutrition Security**
1996-2005: Program Leader, 2003-2005; Program Co-Leader, 1996-2003

- Helped to design overall program, raised over \$800,000 in project funding, managed total funding of over \$1 million. Funders included CARE, USAID, DFID, World Bank, and WFP.
- Generated new knowledge on policies and program operation for food and nutrition security in cities. Topics included determinants of urban food and nutrition security; program design and community-driven development; and urban-rural links.
- Used quantitative and qualitative methods to conduct research at household, community, and government levels. Employed methods from economics, political science, sociology, and nutrition for research design and sampling strategies; questionnaire design; fieldworker training; and data collection, cleaning, and analysis.
- Taught sessions on urban programming for IFPRI and other organizations. Topics included rapid appraisal, survey design, monitoring and evaluation, and project design and management.
- Supervised development and implementation of communications strategy for diverse audiences, including operations staff, government authorities, and community residents.
- Managed projects efficiently, including ensuring timely responses to donors, preparing and supervising contracts, and general monitoring and budgeting.

➤ **Director General's Office**
Special Assistant

Washington, DC

Prepared and published policy briefs, performed background research, and responded to institutional management priorities. Managed IFPRI's visioning exercise for agriculture, food, and the environment in Latin America to the year 2020, including organization of consultative workshop and write-up of conference conclusions.

1991-92 **FULBRIGHT-HAYS DOCTORAL FELLOW** La Paz, Bolivia
Institute of Socio-Economic Research, Catholic University of Bolivia (IISEC)
Visiting Researcher

Performed field work for doctoral dissertation. Within a larger framework of studying the impact of structural adjustment programs on the poor, analyzed how political and economic factors affect price transmission for agricultural products.

- 1985-87 **INSTITUTO SUPERIOR DE AGRICULTURA** Santiago, Dom. Rep.
Center for the Administration of Rural Development (CADER)
Public Sector Advisor, 1986-87; Teacher and Case Study Researcher, 1985-86
- Taught food and agricultural policy analysis and management to university undergraduates and to government and private sector officials in executive training courses at the leading Dominican agricultural research and educational institute. Led group discussions and plenary sessions in stakeholder workshops to develop Dominican agricultural policy. Conducted fieldwork and wrote case studies for workshops and courses.
- 1982-83 **FULBRIGHT SCHOLAR** Santiago, Chile
Institute of International Studies, University of Chile
Research Affiliate
- Investigated strategic, political and historical aspects of Chilean-Argentine territorial dispute. Conducted interviews with foreign ministry officials and negotiators.
- Centro Bellarmino, Social Science Research Center**
Research Affiliate
- Analyzed the effect of religious values on the political activities of Catholic priests through interviews with thirty priests at the diaconal level in the Greater Santiago area.

EDUCATION

- 1995 **CORNELL UNIVERSITY** Ithaca, NY
Ph.D. Department of Agricultural Economics
- Concentrations in food and nutrition policy analysis and political economy. Coursework included economics, econometrics, statistics, food and nutrition policy, and political science.
- Dissertation:* Price Liberalization and Price Transmission in Food and Agricultural Markets in Bolivia: A Politico-Economic Approach.
- Teaching Experience:* Graduate Teaching Assistant. Taught two sections weekly to large upperclass undergraduate course in Project Financial Management and Analysis. Also, led case study discussions as part of graduate course in food and nutrition policy.

1985 **HARVARD UNIVERSITY** Cambridge, MA
John F. Kennedy School of Government
Master of Public Policy

Coursework included public management, political analysis, project design and appraisal, economics, statistics, and decision analysis. Concentrations in food and agricultural policy analysis and international development.

Independent Policy Analysis Exercise reviewed the operational structure and competitive strategy of a Boston-based international education and training organization.

Teaching Experience: Graduate Teaching Assistant. Conducted help sessions and assisted with management of core course in Introductory Statistics.

1982 **PRINCETON UNIVERSITY** Princeton, NJ
A.B. in Politics with Certification in Latin American Studies, magna cum laude.

Liberal arts coursework including politics, economics, literature, religion, and languages.

Senior thesis: Church Development, Chile, and the Cardinal: A Study of Church-State Relations in Latin America

ACTIVITIES,
AWARDS,
AND SKILLS

Spanish: fluent speaking, reading, and writing
 Portuguese: fluent speaking; very good reading; fair writing
 French: fair reading

IFPRI Institutional Activities:

- Working Group on Impact Assessment (2002-2005)
- Capacity Strengthening Task Force (2004, 2007-2008)
- Website Development Committee (1995-97)
- Computer Use Committee (1994-96)
- Numerous staff search committees

Sage Graduate Fellow, Cornell University, 1987-88

Software: MS Office, STATA, SPSS

Reviewer for *Economics and Human Biology, Development in Practice, World Development, Economic Development and Cultural Change, Food and Nutrition Bulletin, Food Policy, African Journal of Food, Agriculture, Nutrition and Development, Urban Studies, Journal of Nutrition, Journal of African Economies, Health Policy and Planning*
