

**AGNES R. QUISUMBING**

253 D Pond Ridge Drive  
Acton MA 01720  
(978) 263-2968

**Present Position**

Senior Research Fellow  
Food Consumption and Nutrition Division  
International Food Policy Research Institute  
2033 K Street, N.W.  
Washington, D.C. 20006  
Tel: (202) 862-5600  
Fax: (202) 467-4439  
email: a.quisumbing@cgiar.org

**EDUCATIONAL BACKGROUND**

**Ph.D. Economics, University of the Philippines, Quezon City (1985)**

Dissertation: Estimating the Distributional Impact of Food Market Intervention Policies on Nutrition

Fields of specialization: International economics, econometrics

**Fulbright-Hays Doctoral Enrichment Fellow, Massachusetts Institute of Technology (1983-84)**

Fields of specialization: Food policy, development economics, international economics

**M.A. Economics, University of the Philippines, Quezon City (1982)**

Field of specialization: International economics

**A.B.(Accelerated) Economics, Summa cum laude, De La Salle University, Manila (1980)**

**HONORS, AWARDS, AND FELLOWSHIPS**

Rockefeller Foundation Postdoctoral Fellowship, Economic Growth Center, Yale University (1988-1990)

Winrock-University of the Philippines at Los Banos Agricultural Policy Research Program Research Fellowship (1987-88)

Fulbright-Hays Fellow, Doctoral Enrichment Fellowship, Massachusetts Institute of Technology

(1983-84)

National Economic and Development Authority, Republic of the Philippines, Statistical Economics Fellowship (1981-82)

Association of Catholic Universities of the Philippines Faculty Development Grant (1980-81)

A.B. (Accelerated) Economics, Summa cum laude; Sixto K. Roxas Award for Excellence in Economics (1980)

Insular Life Educational Foundation Scholarship (1977-80)

High School Valedictorian, St. Theresa's College, Cebu City; Insular Life Gold Eagle Award (1977)

## **EMPLOYMENT HISTORY**

**Senior Research Fellow, Food Consumption and Nutrition Division, International Food Policy Research Institute (March 1999 to present)**

**Research Fellow, Food Consumption and Nutrition Division, International Food Policy Research Institute (March 1995 to February 1999)**

Responsibilities:

Co-team leader of a multi-country research program analyzing gender differences in asset ownership and control, and consequences of increasing women's control of assets; co-team leader of a multi-country research program analyzing long-term economic mobility and movements out of poverty; co-Principal Investigator in a longitudinal study of the long-term impact of anti-poverty interventions in Bangladesh; co-Principal Investigator in a longitudinal study examining the effects of credit constraints on asset accumulation, education, and well-being in Bukidnon, Philippines; co-Investigator in a longitudinal study examining the effect of nutrition interventions in early childhood on human capital accumulation and adult economic productivity in Guatemala (2002-present)

Team leader of a multi-country research project on gender and intrahousehold aspects of food policy, involving household surveys in four high-concentration countries (Bangladesh, South Africa, Ethiopia, Guatemala), and supplementary studies in 8 countries; analysis of data collected through the project; moderation of electronic mail network and conference on gender and property rights (1995-2002) .

Design and implementation of a research project on gender, property rights, and forestry resource management in Ghana and Sumatra, involving the design, conduct, and analysis of new household surveys (1996-1998)

Design and analysis of household survey modules to evaluate the gender and

intra-household impact of a nationwide program to improve education, health, and nutrition in Mexico (PROGRESA) (1997-2000)

Project development, management, and proposal writing (1995-present)

Chair, Publications Review Committee: setting guidelines for and coordinating the peer-review process of IFPRI publications, 2002- 2005

Special Advisor, Gender Task Force 2005-present

**Economist, Population and Human Resources Division, South Asia Department III, The World Bank (1993 to 1995)**

Responsibilities: Preparation and management of population and health projects in Pakistan, involving preparation and writing of project documents (Staff Appraisal Report), coordination with government implementing agencies, other donors, and researchers on demography and health

**Economist, Women in Development Division, Population and Human Resources Department, The World Bank (after January 1993, Education and Social Policy Department) (1992-93)**

Responsibilities: Research on women in agricultural systems; review of econometric evidence on gender differences in agricultural productivity; research on determinants of infant mortality in Brazil; formulating guidelines for gender-sensitive agricultural projects; operational support on the inclusion of gender issues in development planning in Iran

**Consultant, Women in Development Division, Population and Human Resources Department, The World Bank (1991-92)**

Responsibilities: Research on women in agricultural systems; review of econometric evidence on gender differences in agricultural productivity; operational support to Malawi agricultural support services project on improving delivery of services to women farmers

**Visiting Fellow, Economic Growth Center, Yale University (1988-91)**

Research topic: Intergenerational wealth transmission and intra-household allocation models applied to the bequest of land rights and investment of children's human capital in Philippine rice-growing villages

**Affiliate Postdoctoral Scientist, Department of Agricultural Economics, International Rice Research Institute, Los Banos, Philippines (1989-90)**

Responsibilities: Design, implementation, and supervision of village-level household surveys, in line with the study of intergenerational wealth transmission and land tenure systems in the Philippines

**Assistant Professor, School of Economics, University of the Philippines, Quezon City (1987-91)**

Subjects taught: Economics of Agriculture, Development Economics, Alternative Approaches to Macro Theory

Concurrent appointment: Research Fellow, Center for Policy and Development Studies, University of the Philippines at Los Banos (Part-time) (1987-88)

Research conducted: Land tenure systems; econometric estimates of consumer demand systems

**Assistant Professor, College of Economics and Management, University of the Philippines at Los Banos (1985-87)**

Subjects taught: Macroeconomic theory, econometrics, consumption analysis

Concurrent appointment: Professorial Lecturer, School of Economics, University of the Philippines, Quezon City (1986-87)

**Research Associate, Research for Development Department, Development Academy of the Philippines (1982-85)**

Responsibilities: Supervision and conduct of research on food and nutrition policy, involving conceptualization, methodology, and computer programming

Concurrent appointment: Professorial Lecturer, De La Salle University (1984-85)

**Assistant Professor, De La Salle University (1982-83)**

**Instructor, De La Salle University (1980-82)**
