

Ryan Nehring

1201 I St. NW, Washington, DC 20005 | r.nehring@cgiar.org | +1-202-597-9827 | [Google Scholar](#) | [LinkedIn](#)

Education

2020	PhD	Development Sociology	Cornell University
2016	MS	Development Sociology	Cornell University
2011	MA	International Development Studies	Saint Mary's University, Canada
2008	BA	Languages and International Studies	The College of Saint Scholastica

Research appointments

	<u>International Food Policy Research Institute (IFPRI), Washington D.C.</u>
2024-present	<i>Research Fellow</i>
2022-2024	<i>Associate Research Fellow</i> • Natural Resources and Resilience Unit
2020-2022	<u>University of Cambridge, Cambridge, UK</u> <i>Postdoctoral Research Associate – Department of History and Philosophy of Science</i> • Research Fellow: Clare Hall
2014-2020	<u>Cornell University, Ithaca, NY</u> <i>Research Assistant for Dr. Wendy Wolford – Development Sociology</i> • National Science Foundation – Science and Technology Studies Program project title: “Rediscovering Africa: Brazilian Experts and Expertise in Mozambique”
2012-2013	<u>Cornell University, Ithaca, NY</u> <i>Research Associate: Department of Development Sociology</i>
2011-2012	<u>United Nations Development Programme (UNDP) – IPC-IG, Brasilia, Brazil</u> <i>Researcher: Rural and Sustainable Development</i>

Consultancies

	<u>Cambridge Zero/UK Government (based in Cambridge, UK)</u>
2021	<i>Author of Brazil country report for “Visions of a Net Zero Future”, the UK government official submission for the COP26 UN Conference on Climate Change</i>
	<u>Food and Agricultural Organization of the United Nations (FAO) (home-based)</u>
2022	<i>Researcher for Guidance Note on the contribution of social protection to sustaining peace</i>
2018	<i>UNDP coordinator to develop FAO e-learning course “Rural Poverty Reduction”</i>
2016	<i>Author of concept note on the design of national food procurement programs</i>
2014	<i>Lead author of background paper for: State of Food and Agriculture 2015</i>
	<u>World Food Programme (WFP) (based in Brasília)</u>
2013	<i>Researcher on the evaluation of local food procurement policies in Brazil</i>
	<u>International Food Policy Research Institute (IFPRI) (based in Brasília)</u>
2013	<i>Researcher on the political economy of Brazil's family farming policies</i>

Awards and grants

- 2019 Einaudi International Travel Grant (US\$1,000 – Cornell University)
- 2016 Social Science Research Council – International Dissertation Research Fellowship (US\$15,900 – **External**)
- 2016 Borlaug Fellowship for Global Food Security (US\$20,000 – **External**)
- 2016 Latin American Studies Program (LASP) Fellow (Cornell University)
- 2015 Einaudi International Travel Grant (US\$1,600 – Cornell University)
- 2014 Polson Institute for Global Development Research Grant (US\$2,000 – Cornell University)
- 2014 Einaudi International Travel Grant (US\$1,200 – Cornell University)
- 2011 Graduate Studies and Research Fellowship (CAD\$6,000 – St. Mary's University)

2011	International Mobility Award (CAD\$1,200 – St. Mary’s University)
2010	Graduate Studies and Research Fellowship (CAD\$6,000 – St. Mary’s University)

Invited presentations

2026	“Multi-stakeholder coordination mechanism: Co-designing a transboundary MSP for INMACOM” Global Workshop on Developing, Revising and Revitalizing Agreements or Other Arrangements for Transboundary Water Cooperation, UNECE, Budapest, Hungary, June 22-23.
2026	“A systematic literature review on the relationship between school feeding programs and regenerative agriculture” Just Transformations in Food Systems and Cultures, Burlington, Vermont, June 7-10.
2026	“Brasil e a Revolução Verde” Cerrado Panel at the 2026 Lemann Dialogues, David Rockefeller Center for Latin American Studies, Harvard University, April 2-3, Cambridge, Massachusetts.
2025	“The Political Economy of Agroecological Transitions” Panel on Multifunctional Landscapes, Tropentag 2025, September 10 th , Bonn, Germany.
2025	“Political Economy Analysis for Applied Development Research” Cornell-IFPRI Workshop, Ithaca, NY Sept. 29 th .
2024	“Using Qualitative Methods to Increase the Utility of Research for Practitioners at IFPRI and CGIAR” Sociology of Development Conference, Johns Hopkins University School of International Studies, Washington, DC, October 19 th .
2023	“How to Feed the World without Destroying it: Insights from Brazil” University of Galway MSc Climate Change, Agriculture & Food Security seminar, October 31 st (virtual).
2023	“A Conceptual Framework for Living Labs for People and the Political Economy of Agroecological Transitions” Zhejiang University of Finance and Economics, Hangzhou, China, October 17 th .
2023	“The Brazilian Model to Feed the World: Implications for China” Zhejiang University, Department of Agricultural Economics, Hangzhou, China, October 16 th .
2022	“Agricultural Research as a Public Company: The Politics of Democratizing Brazil’s Embrapa” Research workshop on “Epics of Agricultural Science and Technology: Celebrated and Forgotten Histories”, Institute of Development Studies (IDS), Brighton, UK, September 14 th and 15 th .
2022	“Leveraging Agricultural Research for Food Systems Transformation and Inclusive Development” International Food Policy Research Institute (IFPRI), August 2 nd (virtual).
2022	“Science, Agriculture and Development in Latin America” with Sandro Dutra e Silva, American History, Culture and Society, Faculty of Languages and Literatures, Ludwig-Maximilians Universität München, June 15 th (virtual).
2022	“The Brazilian Green Revolution” Workshop on “Cooperation for Agricultural Development in the Global South: Multiple Pathways towards Justice and Sustainability?” FLAME University, Pune, India, March 9 th (virtual).
2022	“Climate Adaptation in Brazil: Recommendations from the COP26 Futures We Want Report” Climate Adaptation in the Global South Group – Cambridge Zero, February 24 th (virtual).
2021	“Brazil’s Green Revolution and Democratizing Public Agricultural Research” Workshop on Silenced Alternatives, Invisible Pathways: Sustainable Agri-food Systems of the Cerrado, December 10 th , 14 th and 16 th (virtual).
2021	“Technoscience in the Tropics: Public Agricultural Research and Environmental Imaginaries in Brazil” History of Medicine and Modern Biology Seminar Series, Department of History and Philosophy of Science, University of Cambridge, November 16 th (virtual).

2021	“Ciência, Tecnologia e Agriculturas” Fundamentos Interdisciplinares em Ciência, Tecnologia e Agriculturas, Programa de Pós-Graduação em Meio Ambiente e Desenvolvimento Rural – PPG-MADER, Universidade de Brasília, September 21 st .
2021	“The Brazilian Model to Feed the World” Coffee Break Seminar, Cambridge Global Food Security, May 28 th .
2020	“Techno-tropicalismo: Public Agricultural Research and the Brazilian Green Revolution” História Ambiental do Cerrado [Environmental History of the Cerrado] Seminar, November 10 th .
2018	“A Revolução Verde Brasileira” (The Brazilian Green Revolution). Interlocução entre grupos de pesquisa CAPPH e NUPHITT (Núcleo de Pesquisa em História, Território e Tecnologia) – State University of Campinas (Unicamp), Campinas, Brazil, March.
2016	“Yield of Dreams: Marching West and the Politics of Scientific Knowledge at the Brazilian Agricultural Research Corporation (Embrapa),” Latin American Studies Program 1 st Annual Conference – Cornell University, Ithaca, February.
2015	“CCTs in Latin America: Origins, Trends and Challenges,” Roundtable Discussion on Conditional Cash Transfers for Cornell Latin American Student Society (CLASS), Ithaca, April.
2014	“Food Assistance and Institutional Demand: Supporting Smallholder Farmers to Fight Hunger and Boost Agricultural Production,” Presentation for the State of Food and Agricultural (SOFA) Committee at the Food and Agricultural Organization of the United Nations (FAO), Rome, Italy, July.
2013	“Brazil’s Food Acquisition Programme (PAA) for Dummies,” Friday Seminar Series, UNDP-IPC, Brasilia, July.

Workshops organized and panels chaired

2025	“Delivering for Climate and Biodiversity: Lessons from Brazil’s National School Feeding Program” CGIAR Pavilion, COP30, Belém, Brazil, Nov. 12 th .
2023	“The Political Economy of Agroecological Transitions” Workshop for the CGIAR Transformational Agroecology Initiative, Bangalore, India, November 27 th -28 th .
2018	“Remaking and Revisiting the Green Revolution in the Global South” (Paper panel with Divya Sharma), American Association of Geographers Annual Meeting, New Orleans, April.
2018	“Consultative Learning Needs Assessment Workshop to Develop a Series of e-Learning Courses on Rural Poverty Reduction” (with Fabio Veras Soares), Partnership between ITC-ILO, FAO and UNDP-IPC, Turin, Italy, February.
2016	“Agrarian Transitions in Latin America” (Chair), Sociology of Development Conference, Cornell University, Ithaca, October.
2016	“Cornell-IDS/Sussex Graduate Student Symposium”, Organized as part of ongoing collaboration with the University of Sussex, UK, Ithaca, October.
2016	“Diálogo Agricultura e Sociedade: Instrumento de cidadania e boa governança – As novas demandas e a capacidade de resposta da cadeia de valor (Dialogue on Agriculture and Society: An Instrument of Citizenship and Good Governance – New Demands and the Responsiveness of Value Chains),” (moderator), Roundtable on the role of Brazil in the future of global agriculture, Columbia University, May.

Conference activity

2025	“Multistakeholder Platforms for Transboundary River Basin Governance” World Water Congress, Marrakesh, Morocco, December 6 th .
2025	“A Living Lab Approach to Locally Led Climate Action” Climate Smart Agriculture Conference, Brasilia, Brazil, November 7 th .

- 2024 “Policy and Investment Reforms for Biodiversity” Panel on World Bank study on agriculture and biodiversity, Convention on Biological Diversity, COP16, Cali, Colombia, October 22nd.
- 2024 “A critical approach to co-producing knowledge for development” Sociology of Development conference, Johns Hopkins University School of International Studies, Washington, DC, October 19th.
- 2023 “Co-Designing a Transboundary Multistakeholder Platform in the Incomati Basin: Lessons Learned and Formalizing Institutional Relationships” REMCO Biannual Conference, Ezulwini, Eswatini, November 10th-12th.
- 2023 “The Political Economy of Agroecological Transitions” (with Ben McKay) Critical Agrarian Studies for the 21st Century, Beijing, China, October 10th-12th.
- 2023 “A Conceptual Framework for Living Labs for People: Fostering Innovation for Low-Emissions Food Systems and Social Equity” Adaptation Futures, Montreal, Canada, October 2nd-6th.
- 2023 “A Conceptual Framework for Living Labs for People: Fostering Innovation for Low-Emissions Food Systems and Social Equity” Tropentag, Berlin, Germany, September 20th-22nd.
- 2022 “Farming Cattle in the Tropics: Transnational Science and Industrializing Pastures in Brazil” Agricultural History Annual Meeting, Stavanger, Norway, August 4th-6th.
- 2022 “Domestic Science, American Philanthropy and Gendered Rural Extension in Minas Gerais, Brazil (1948-1961)” European Society for Environmental History Conference, Bristol, UK, July 3rd-6th (virtual).
- 2021 “Techno-tropicalismo: The Politics of Agronomic Knowledge and Vegetable Production in Brazil” Agri-food Policies as Science and Technology Politics since 1850: Knowledge, Environment, Society, virtual, September 24th-26th (virtual).
- 2021 “Digitizing Agro-diversity: Challenges for the Global Governance of Genetic Resources for Food and Agriculture in the 21st Century” Sociology of Development Virtual Conference – DEVSOCLINK, June 24th (virtual).
- 2019 “Tropicalization and the Politics of Knowledge Production in Brazil” at the Sociology of Development Annual Conference, University of Notre Dame, South Bend, October. 18th.
- 2019 “Tropicalization and the Politics of Knowledge Production at the Brazilian Agricultural Research Corporation” at Latin American Studies Association (LASA) Annual Congress, Boston, May.
- 2018 “Making ‘the Company’: Cultural Politics and the Crisis of Brazil’s Embrapa” at the 7th Annual Sociology of Development Conference “Obstacles to Development”, University of Illinois – Urbana-Champaign, Urbana, October.
- 2018 “Making ‘the Company’: Cultural Politics and the Crisis of Brazil’s Embrapa” at Society for the Social Studies of Science (4S) Annual Meeting, Sydney, Australia, August.
- 2018 “The Brazilian Green Revolution” at American Association of Geographers (AAG) Annual Meeting, New Orleans, April.
- 2016 “Exporting Zero Hunger: PAA Africa and the Possibilities of Food Sovereignty with South-South Cooperation,” at XIV World Congress of Rural Sociology, Ryerson University, Toronto, August.
- 2016 “Contested Agronomy in the Brazilian Agricultural Research Corporation (Embrapa)” at Contested Agronomy: Whose Agronomy Counts?” Institute for Development Studies – University of Sussex, Brighton, U.K., February.
- 2016 “Politicizing Agricultural Science and Technology: The Alliance of the State, Capital and Science in the Brazilian Agricultural Research Corporation (Embrapa),” at Global Governance/Politics: Climate Justice & Agrarian/social Justice: Linkages and Challenges, International Institute of Social Studies, The Hague, Netherlands, February.
- 2015 “Closing the Yield Gap: The Politics of Agrarian Extractivist Technologies in Brazil,” at Latin American Studies Association (LASA) Annual Congress, San Juan, Puerto Rico, May.

- 2015 “Yields of Dreams: Marching West and the Politics of Scientific Knowledge in the Brazilian Agricultural Research Corporation (Embrapa),” at Sociology of Development Conference, Brown University, Providence, March.
- 2014 “Yields of Dreams: State Building and the Politics of Scientific Knowledge in the Brazilian Agricultural Research Corporation (Embrapa),” at Latin American Studies Association (LASA) Annual Congress, Chicago, May.
- 2013 “The ‘State’ of Food Sovereignty in Latin America: Political Projects and Alternative Pathways in Venezuela, Ecuador and Bolivia,” with Ben McKay at Food Sovereignty: A Critical Dialogue, Yale University, New Haven, September.
- 2013 “O Brasil Gigante: Reproducing the Brazilian Miracle in Sub Saharan Africa” at “Is there a New Development?” University of California – Berkeley, April.
